

CURRICULUM VITAE

* 1958 in Alsfeld (Germany)

1977 - 1981	Study of Geodesy at TFH Berlin and FH Frankfurt a.M. (Dipl.-Ing.)
1981 - 1987	Study of Geology/Palaeontology at Goethe Universität Frankfurt a.M. (Diplom-Geologe).
1988 - 1990	PhD student at Goethe University Frankfurt a.M. (Dr. phil. nat)
1991 - 1999	Postdoc at Goethe University Frankfurt a.M. (Habilitation examination)
1999 - 2004	Professor for Geology at Friedrich-Alexander University, Erlangen-Nürnberg
since October 2004	Professor for Geology at Goethe University, Frankfurt a.M.

major scientific topics:

Geodynamic evolution of Cadomides, Variscides and Hellenides
Modelling and assessing geological structures in 3D
Deformation of salt rocks
Microfabrics and deformation mechanisms of deformed rocks

Memberships: Deutsche Geol. Gesellschaft/Geol. Vereinigung (DGGV), Deutsche Mineralogische Gesellschaft (DMG), Geological Society of America (GSA), International Association of Structural/Tectonic Geologists (IASTG), Oberrheinischer Geologischer Verein,

Hermann-Credner Award 1998 of DGG

Activities in University panels

2004 – 2005: Founder chair of Geoscience Department of Goethe Universität
2008 – 2011: Vice chair (Prodekan) of Geoscience Faculty of Goethe Universität

Activities in boards of Geoscience Organizations

2000 – 2006: Secretary of GV (Geologische Vereinigung)
2008 – 2011: Vice Chairman of DGG (Deutsche Gesellschaft für Geowissenschaften)
2011 – 2014: Chairman of DGG (Deutsche Gesellschaft für Geowissenschaften)
2012 – 2016: Member of DFG Review Board (German Research Foundation)
2014 – 2017: Vice Chariman of DGGV (Deutsche Geol. Gesellschaft/Geol. Vereinigung)

Guest lecturer at Istanbul University (2009, 2010)
